### 1. Learning outcomes

Students will be able to draw up legally binding written administrative records. They will be able to deal with the issue of amendment and annulment of notifications by the relevant authority. They will be able to identify when a notification should include an order of immediate compliance or when the threat of coercive measures is necessary. They will also be able to integrate the two components mentioned above into the notification, or a demand for payment of the administrative costs incurred.

### 2. Recommended prior knowledge and skills
